Sacrifice

The Diocesan Wide April trait was Sacrifice and presented to Kinsley Wittie and Briggs Faulkner. It is always a sacrifice to attend a new school, starting in the middle of the year. Kinsley left her familiar life at her former school to move with to Wellsville, and to attend ICS. We are so very proud of the way she's adjusted to, and settled into, our ICS family. Now for Briggs - how many kids willingly give up their morning "free time" to work with their teacher every day before school? Briggs Faulkner does, he sacrifices his free time to improve his academics and become a better student every day. We are so proud of his sacrifice and hard work!

WHAT WAS SPECIAL ABOUT YOUR FIRST COMMUNION?
"I LIKED GETTING THE BREAD BECAUSE IT WAS SPECIAL DAY"
