- December 25th—10:a.m. Christmas Day Mass*

***ALL MASSES LISTED ABOVE AT ICC—AND YOU MUST RESERVE SEATS—CALL 593-4834!**

"Distance" Learning

Students in first grade enjoyed some outside lessons distant from their classroom in the Embser's backyard. The beautiful, warm, and sunny weather through the beginning of November had students and staff heading outside at every opportunity. Pre-K-4 took advantage of the playground as much as possible, too, knowing that winter will be fast approaching.

In School Honors Assembly

The first quarter Honors Assembly took place in the main hallway. Mr. Seigel handed out the certificates as the students were called over the intercom. Students took a break in their classrooms to listen and applaud the recipients.

Cultural Project in 7th and 8th Grade

Mrs. Cherry Perry's 7th and 8th grade Spanish classes participated in a cultural project in late October. Each student made two finger puppets that held a conversation in Spanish. The students were videotaped during their presentations. With some editing from Mr. Perry the videos were on display all week long in the main hall for students to stop and watch along with the colorful display to showcase the videos and fun treats from Spain, Mexico, and Columbia. Everyone did impressive work—the Perrys *and* the students!

MUY BIEN!

Alum Honors Mother

Immaculate Conception School takes great pride in sending graduates forth knowing they leave the halls of ICS with a sound foundation.

Truly, it should come as no surprise when a former graduate is recognized for her community involvement decades beyond her tenure as an Immaculate Conception School student. Laurie Gostley Hackett received prestigious recognition for 25 years of dedication to the R.K. Laros Foundation. The R.K. Laros Foundation committee members cite Laurie's gift, "an innate sense of what will truly make a difference".

Laurie Gostley Hackett credits her mother Shirley (Colligan) Gostley, another ICS alum, with fostering a sense of community stewardship, as well. Shirley made it known that she was grateful for her strong Catholic Foundation.

Laurie chose to honor her mother designating ICS as the recipient of R.K. Laros Foundation award for outstanding service. It is with a grateful heart that ICS accepts the R.K. Laros Foundation award on behalf of two very fine women, Laurie Gostley Hackett and Shirley Gostley.

**8th Grade Wreath Pick Up Date:
Friday, December 4th after 11:00a.m.**

REGULAR JEAN DAY (school shirt with jeans)

FRIDAY, NOVEMBER 20TH

Bring a box of cereal for the Catholic Charities Food Pantry (optional)

OPERATION CHRISTMAS CHILD SUCCESS!

There are smiles behind those masks for good reason! Students in 3rd, 4th, and 5th grade were asked to participate in Operation Christmas Child. Shoeboxes were filled with age appropriate donated items, some for personal care, some clothing, and some for fun! The students donated enough to fill nine boxes to be sent all over the world!

THANK YOU!
