Mother's Day!
- Friday, May 13th—2022  
-2023 Registration Ex-  
tension Date

## From the Desk of Mrs. Dewey

Hello, ICS Families,

Thank you for your warm welcome to me as I begin my role here as the principal of ICS. I feel so grateful for the opportunity to serve you and your children. As many of you know, I began my teaching career here in Wellsville. It has been nice to feel connected already to this ICS community in many ways. Some of your children and I have discovered this week that some of their parents, or maybe aunts or uncles, were in my 4<sup>th</sup> grade classroom. (So does that make ME old, or you all?!) I am enjoying getting to know your children, and I am working diligently on learning names as fast as I can!

Not much of what I believe about education has changed over the course of 30 years. I always have had high expectations for student engagement and behavior. My philosophy has meshed completely with ICS's. It is such a breath of fresh air to come here and see your kids at work. I have been impressed from the start. I believe that our families depend on us and each other to teach and foster the traits that help our kids grow to be what I like to call "decent human beings." I truly believe that in this world and in this age, that this kind of learning is just as important as "academics" in shaping our children. Thank you for your support for, and belief in, not just your own kids, but for the ICS family as a whole.

I have always had an open-door policy as an administrator. Please reach out to me with questions or concerns any time. I believe in being as transparent as possible in my communications. You should know that in the event of a fairly "egregious" behavioral concern, you are most likely to get a phone call from my desk, but your child will be the one doing the explaining. (I've found that most kids do NOT want to call home to explain behavior more than once!) I believe in consistency, and fairness. However, it's important to note that "fair" is not always "equal." Most of all, I believe in the power of grace and gratitude!

Again, thank you for your support! Please don't be afraid to reach out anytime.

# 'Tis the Season

The weather is warming up! This means that ICS students may begin wearing shorts on Tuesday, May 2nd. As always, shorts should be navy or khaki and boys must wear belts if the shorts have belt loops. No elastic waist shorts (sports shorts).

## Caring and Sharing

ICS recently donated Covid tests, and cleaning supplies to Camp Badger (Spencer, NY). Camp Badger is sponsored by the NYS Lions Club and their mission is to provide services that enhance the educational, vocational, personal growth, and independence of differently-abled individuals. Receiving the donations for the Wellsville Chapter of the Lions past President Bruce Hand. More info on Camp Badger can be found on their website.

## ICS Night at L'Italia

ICS is very excited to partner with L'Italia's Jasmine Sanders and Casey Maglier for a special night joining our school with their restaurant, a local favorite. The scheduled night is Tuesday, May 3rd from 6:00p.m.-9:00p.m. L'Italia will donate 10% of their profits that evening to ICS while offering raffles and live music from Adam Stack. Miss Sanders mentioned that Tuesday nights were a quiet night at the restaurant so that would be a great night for locals to come and support ICS. There will be donations from L'Italia, New Vogue, Heidi Noel's Performing Arts, plus others to be raffled, plus a 50/50.

IMMACULATE CONCEPTION SCHOOL
