Problem Solving

The Diocesan Wide March trait of problem solving award was presented to Fidel Hernandez and Robert Orton. Fidel is a great problem solver. He is always willing to help others that are struggling. Fidel uses critical thinking and analytical skills to solve the problem. Robert is deserving of the problem solving award for the effort he makes each morning to notice younger students facing the problem of no one to teach them how to play a game. He makes the effort to invite them to play and his patience with them is evident.

WHAT DO YOU LOVE MOST ABOUT SPRINGTIME?

If you've purchased a ticket we'd love to see you there! Plus, we can always use the extra help, especially for clean-up!

Call the office to see if there is any other way you can assist!

There is still time to donate to your child's classroom basket! Send in items by Monday, April 24th.

Lunch at L'Italia!

ICS students and faculty will be going to lunch at L'Italia on Tuesday, May 9th. This walking field trip will be in place of the canceled trip to Spragues.

Mr. Dave Wlodarczyk

Dave Wlodarczyk taught religion at ICS for nine years before he had to resign in April of last year due to his health. The ICS family was saddened by the news of Mr. Dave's passing. He left a loving impression on every student that he met. Many days would find Mr. Dave at our back door greeting students with a smile and a kind word as they entered the building. He was also known as Santa Claus at our Santa's Workshop for many years. We wish his family peace knowing that he is now with his God.

STAR WARS

Mark your calendar for May the 4th... patience you must have, worth it will be.

Students may start wearing shorts on May 1st!
No sport shorts!
