Information Night
- Tuesday, September 7th—First
Day of the 2021-2022 School
Year
- Saturday, September 11th—AOH
Car Show at Island Park

Showing Respect for the Flag

There are many ways to show respect for the American flag. One way is to never let the flag touch the ground and another is to replace the flag once it becomes tattered. Mr. Dave

Wlodarczyk noticed the flag at ICS was starting to show signs of wear and purchased a new flag for the

school. So, to replace the old flag, students lowered it and were aided by Mr. Dave in folding it into a traditional flag triangle. The new flag was then attached and raised high up on the flagpole. Mr. Dave dropped off the old flag at American Legion Post 702 to be part of a proper flag disposal.

*Have a Safe and
Blessed Summer*

Friday, June 18th—Students in 1st-7th grade will report to homeroom, attend mass at 8:10a.m. followed by the Honors Assembly in church. Students will be dismissed after the Honors Assembly. Please make arrangements to pick up your child by 9:15a.m. at the church. Parents are welcome to join us for mass and/or the Honors Assembly.

ICS is saying goodbye to four faculty members this year.

Mrs. Becky Catino has been at ICS since early 1991. In those years, she has taught art, computers, and coached Odyssey of the Mind with her husband, Don. The Catinos took numerous teams to state competitions and a few even made it to world competitions! Mrs. Catino was also instrumental in setting up the school schedule, the school calendar, and report cards. The hats she wore were many and will not be easily replaced.

Mrs. Carol Gardner has been at ICS since the fall of 1991. Mrs. Gardner started out as a part-time Pre-K teacher which soon turned full-time. After 15 years, she switched to 2nd grade for two years and then to 3rd grade where she has been running a tight ship for the past 13 years. Mrs. Gardner is hoping to come back in some part-time capacity as a substitute teacher or classroom aide.

Mrs. Diana Embser was the Nursery School teacher in 1990 and again in 1994. She took on the role of 1st grade teacher in 2006 and has been teaching students about God's love and His creation ever since! We will miss our in-house Dr. Doolittle!

PLUS, COMBINED, ALL 17 OF THEIR CHILDREN ATTENDED ICS!

Mrs. Cyndi Stanton has been helping out at ICS well before her time in Pre-K. She volunteered for years as the school librarian and was a substitute teacher before joining the Pre-K as a teacher's aide in 2011. Mrs. Stanton is still always willing and able to lend a hand wherever she is asked and may be back in the fall in a part-time capacity.

Helping Our Neighbors

Recently the Wellsville Development Corporation awarded mini-grants for improvements around Wellsville. ICS and Catholic Charities were fortunate enough to be recipients of two grants. The ICS grant was for a Spring Spruce-Up at the Wellsville Elks Lodge and Catholic Charities was awarded a grant to add flowers and vegetables around their building. The ICS seventh and eighth grade students were put to work and, as always, stepped up to the plate and did a great job!

Butter Churners!

The 3rd grade made their own butter after reading *Little House on the Prairie*. Hendrick Scott puts all of his muscles to work churning! They also put together dioramas of their own choosing from parts of the book they found interesting.

Kindergarten Day of Fishing

The Kindergarten class enjoyed a beautiful, sunny day of fishing with friends and family at the Wellsville Rod and Gun Club! No barbed hooks meant no emergency on-site treatment!
